Re-organization of Narberth Baseball Club

Meet Us at the Y. M. C. Friday Evening
April 4th, at 8.15 P. M.

Seven Players on Old Team Back
from the War

We were out of the Main Line for two seasons solely because the majority of our players answered the call to arms.

Now that the war is over, our boys are all back with us again and anxious to fight for Narberth's place in baseball as they fought for their country.

Come to the meeting on Friday evening at the Y. M. C. A. and let us get organized to clean-up for 1919. Everybody welcome.

It is rumored that Ponce de Leon Burkhart is practicing a number of new fancy shots, which he saw during the tournament on Wanamaker's roof, each night in the third floor of his residence at Maple and Elmwood avenues. It is even said he proposes to give a demonstration before a few choice friends on April 1st. A similar rumor has it that Perry Redifer has been in secret training at Atlantic City all winter. So, keep your weather eye on the sunshine "kids" this season.

Main Line Employment Bureau Established

A group of public spirited citizens of the Main Line, under the able chairmanship of Mr. Alfred C. Maule, of Bryn Mawr, have established a Community Employment Bureau which has already begun its active work. The headquarters of this Employment Bureau is Room No. 5 of the Merion Title Building, and the telephone number is "Ardmore 1163."

For some time a great many Main Line residents have felt very strongly the need for some central employment bureau, and particularly at this time it has seemed most opportune to fill this existing need. Various committees and organizations along the Main Line have been called upon to help people who need employment to find positions or to fill the needs of employers, both industrial and domestic. The scope of this Main Line Employment Bureau is going to be very wide and the active management of it has been put in charge of Miss Mary S. Hamilton, of Bryn Mawr, who is especially familiar with

local conditions and has done work of this character before. All classes of labor, both men and women, including trained nurses, governesses, chauffeurs, gardeners, domestic servants and people wishing to do work by the day, will be listed, and their qualifications thoroughly investigated. Careful tabulations will be kept of the record of each employee placed, and the aim of the Bureau is that its endorsement will be a complete assurance of the reliability of the employee.

The territory covered at first will be from Narberth to Villa Nova, inclusive, but it is competently expected that in a very short time the demands on the Main Line Employment Bureau will necessitate extending this territory considerably.

This employment bureau has been licensed by the State Bureau of Labor and Industry, Department of Employment, and all of its activities are therefore under the direct supervision of the State.

The fees charged for service will be the standard ones as provided by law, and it is confidently expected that the Bureau will be at least self-supporting, notwithstanding the fact that its object is not to make money, but to fill a real need in the community.

In order to start this work, a few public spirited individuals have loaned sufficient funds to carry on the work for a month or so and also some of the following Main Line organizations, all of which have endorsed this work most enthusiastically:

The Federation of Churches.
Main Line Citizens' Association.
Bryn Mawr Community Center.
Bryn Mawr Hospital Social Service.
Bryn Mawr Business Men's League.
Ardmore Chamber of Commerce.
Ardmore Y. M. C. A.
Narberth Civic Association.
Narberth Community Club.
Ardmore Civic Association.
Bryn Mawr Business Women's Club.
Ardmore Women's Club.
Main Line Branch Red Cross.
Main Line Canning Club.

Up to the present time it has been most difficult to get reliable labor, and such information as was available could not be counted upon. Even before the war there were a great many people who were anxious to get temporary or permanent employment who found that there was no general exchange where the employer and employee could get in touch with each other. The Main Line is a most important suburban section of Philadelphia, and wherever possible labor should come from our local districts and not have to be secured from Philadelphia or other cities.

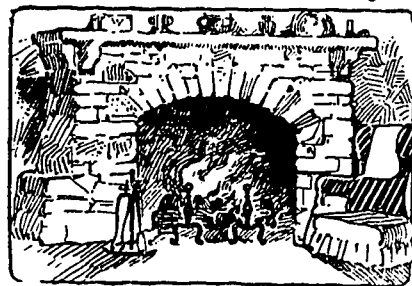

Now that so many thousands of soldiers are being discharged from the army every day, the need of an employment bureau such as is planned is more necessary than ever. Many of these men are from our own district and they are anxious to get work where they live. It is vitally important that they have every opportunity to do so.

The committee in charge of this work feels that the Main Line Employment Bureau offers a real opportunity to make the Main Line a better place to live in both from the standpoint of the employer and employee. They need the active co-operation of everybody and urge that everybody who is desirous of employing labor and those who are trying to get work, use the Bureau at once and advertise by word of mouth its existence and the work that it plans to do.

WORN CLOTHING WANTED BY THE RED CROSS.

The great drive of the American Red Cross for articles of used clothing to relieve Europe's suffering millions is being held this week.

As the clothes will be subjected to the hardest kind of wear, only garments of strong and durable materials should be sent. Shoes of every size are asked for. Send clothes to Headquarters, Main Line Branch No. 1, Morris and Montgomery avenues, Bryn Mawr.

A friendly rivalry as to numbers is merrily going on between the Men's Bible Class and the Women's Bible Class in the Presbyterian Church. At present writing the men hold the record, but just you wait. That was some social the ladies held last Thursday evening.

Miss Jane Ann Laird danced a French doll dance for the benefit of St. John's Guild at St. Mary's Church, February 27. She also danced the National dances at the New Century

REPORT OF THE PARK DEVELOPMENT COMMITTEE NARBERTH CIVIC ASSOCIATION.

Mr. Joseph H. Nash,

President Narberth Civic Association,
Dear Sir:

Last year, at the annual meeting of the Association, I submitted a very full and detailed report of the work accomplished in Narberth Park by your committee. It is unnecessary to go into these details again, as the report was published in full in Our Town in the issue of March 28, 1918. I will, however, briefly recapitulate the statistics as of that date:

Proceeds of sale of 43 lots, \$52,516.88
Cost of the land, 13.236 acres 28,322.50

Balance on hand for development \$24,194.38
Actual cost of development to March 1, 1918, \$26,795.59
Estimated cost of development 25,383.01

Deficit \$1,412.58
Add to this price of Dr. Edward's lot (Lot No. 1), which the Committee decided to incorporate into the Park area 1,250.00

Makes a total to be financed of \$2,662.58

A statement of this deficit was presented to the 23 lot owners, 19 of whom, representing 27 lots, generously agreed to pay a voluntary assessment of \$63.39 per lot, to help make it up. Thus far, \$1,045.94 of these subscriptions have been paid, and distributed to our creditors, and \$665.59 still due, making a

total of \$1,711.53, and leaving a balance of \$951.05 still to be raised by the committee.

The cost of sewer, water and gas installation did not come out of the general fund, but was advanced by the committee, partly in cash, partly by money borrowed from the Merion Title and Trust Company. This will ultimately be repaid by the Borough, the Springfield Water Company and the Counties Gas and Electric Company, as explained in last year's report.

In the meantime, the Borough has agreed to pay the interest on the cost of the sewer until the Park is formally accepted by it, as the Borough is deriving a considerable income from taxation on the improvements in and adjoining the Park.

The Borough authorities have conditioned their acceptance of the Park on certain repairs to the sewer manholes, which the contractor has agreed to make this spring. When these are completed, there is apparently no reason why the Park should not be dedicated to the Borough.

There are at present 9 houses within the limits of the Park, and we understand three more at least are to be built this spring.

As the Borough will not be responsible for the maintenance of the Park until it is accepted, provision for its care should be made by the Civic Association, as the committee has no funds for that purpose.

No provision has as yet been made for lighting the streets through the Park. It is hoped that this will be done in the near future by the Borough.

A. J. LOOS,
Chairman Park Development Committee.

As this is the last issue of Our Town before the meeting of the Narberth Building and Loan Association, attention is again directed to the fact that shares can be taken out in the new series, the twenty-seventh, at the meeting to be held in Council Chamber, Thursday, April 3rd, from 7 until 9 in the evening, by the payment of two months' dues.

HOME GUARD PROTECTION.

Praise where praise is due comes directly and abundantly to our Home Guards, who are making the sacrifices of men, so that our town may be protected from the prowlers from the under life.

What other town can boast of having a more faithful and public serving body of men, who have willingly braved the elements, trudged constantly over the highways and byways of Narberth, protecting you and me and ours from thieves.

A man that goes to rob don't intend to kill, but if killing means his freedom, then kill he will, so you can see that it requires a stout heart, clear head and steady hand to combat the dangers attached to hunting thieves.

Our good men of the Home Guard have all of these attractive qualities and more, too.

They're on the job all the time. Try them if you don't believe it.

Home Guard, you're all right, with a big A.

ONE WHO HAS TRIED THEM.

To the Editor of Our Town:

As a fitting tribute to Narberth's participation in the great War, we are all agreed that we want a soldiers' and sailors' memorial. There cannot be any question on that score. But, we are apparently not of one mind as to the form the memorial shall take. Of the numerous suggestions a suitable Memorial Clock, the ground for which can be secured without cost, seems to meet popular approval. It would be of distinct advantage to our "Home Town," will be seen by every visitor and resident, and be a constant reminder that we truly appreciate what our boys in the service have done.

From an athletic standpoint, an athletic field is an estimable proposition, and Narberth is badly in need of one and should have it, but, appreciating all the pros and cons, are we not advancing our own selfish interests in fostering it as a memorial to our soldiers and sailors? At the proper time let us take up the athletic field and push it with all the energy of which we are capable.

However, the boys are coming back, so let us decide promptly what we are going to do, and then, promptly and in the proper spirit, let us all pull together and do it as it should be done.

ANOTHER BOOSTER.

SCHOOL NOTES

The son of Josiah Quincy, one of the most useful Presidents of Harvard College, says of his father: "His heart's desire was to make the college a nursery of high-minded, high-principled, well-taught, well-conducted, well-bred gentlemen, fit to take their share gracefully and honorably, in public and private life."

In no better words than these can the desires of the board and faculty of our school express their desires for us.

President Quincy always took it for granted that his college boys were gentlemen and men of honor. He never questioned the truth of any story any of them told him, when in academic difficulties, however improbable it might be. That statement was accepted as truth until it was overthrown by implacable facts and inexorable evidence. Then, beyond doubt, the unhappy youth was made to know the value of a good character by the inconvenience attending the loss of it.

That's Narberth High!

The Mothers' Meeting on Tuesday was well attended. After a half hour talk on the organization and aims of the school, the mothers took part in an hour's discussion. As usual, President McCarter was there representing the board's interest in all "get together" meetings.

The basketball season has closed victoriously. Now for baseball!

NOTES AND COMMENTS.

By "Invictus."

Have you noticed the pickets around the school during the last two weeks? It is a relief to know that we are so well guarded.

We were very much amused to see the license tag over the platform on Tuesday. Never realized before that those young Juniors considered themselves speedy enough to require tagging.

When Miss Boynton asked the Junior class to write poetry the other day, Dorothy Drew, in her attempt, gave an opinion of school life:

"The Freshie smiles and shows his teeth,
The Sophy acts a fool,
The Junior shows his smartness,
But the Senior runs the school."

Note: They would—if Mr. Melchior allowed them to.

Someone had just finished an explanation as to how to say "of a loaf of bread" in French.

Miss Bausch: "Now, what would 12 rolls be?"
Martin: "18 cents."

That new lunch room must be a wonderful place. Jenkins says they have meat croquet. What kind of new game is that, Ern?

Ralph Beatty learned in trigonometry one day that every circle contained 2 pi radians. When he went home that day he said: "Mother, I have 2 pi radians around my head." "Hadden't you better wash it?" she answered.

At the game Friday night, Mr. Melchior became so excited that he was seen threatening the near-by electric light bulbs with his cane. Only Mr. McCarter's timely hand saved a calamity.

There is distinctive singing among the High School boys. Fordy likes to hit high Q. Beatty sticks to one note throughout the whole song. He says that by so doing he is sure of being on the right note when the others happen to hit it. Livingston "sings" a couple of octaves below medium. When asked why he did this, he said: "When you sing that low, no one knows whether you are on the right key or not." There's a reason!

Please tell us your name;

WAR STAMPS.

To invest in War Stamps is not only a patriotic duty which all of us should regard, but it is an investment which cannot be beaten because of the rate of interest paid and the privileges connected with it. Union County, Pa., has purchased \$3.19 per capita for 1919, and three months of the year have not passed. Montgomery County has purchased \$.55 per capita and Narberth \$.85 per capita. The good patriotic people of our town should give proper attention to War Stamps.

SOLDIERS TO KEEP MASKS AND HELMETS.

Washington, D. If the men have turned in their masks and helmets these will be reissued to them upon application to the nearest zone supply officer.

Church Notes.

The Every-Member Campaign by the officers of the church last Sunday was most successful. The reports indicate an encouraging increase in the receipts of the church for the coming year.

The final meeting of the Mission Study Class, under the leadership of Rev. John H. Poorman, will be held next Tuesday evening, when the attendance of every member is requested. Over thirty have been enrolled in this class, and the study of the book, "Ancient Peoples at New Tasks," has been most helpful and interesting.

The final meeting of the other Mission Study Class, under the leadership of Rev. John Van Ness, will be held next Wednesday evening. This class has been studying the book, "Money, the Acid Test."

The children of the main school will hold a social next Thursday evening. A pleasing program is being arranged by the members of the Semper Fidelis Bible Class.

There will be a session meeting at the home of the pastor next Friday evening.

The spring Communion will be held on April 13.

THE FIRESIDE

(Continued from Page 1.)

Guild for the benefit of a hospital bed, March 15. March 22nd, at the Ritz-Carlton, she danced an Oriental dance for charity.

Rev. Herbert W. Bieber, D. D., formerly pastor of the Tyrone Presbyterian Church, has been called to the pastorate of the Church of the Covenant, in Cynwyd. Dr. Bieber has accepted the call, and will be installed in the near future. Rev. John Van Ness is expecting to moderate a congregational meeting in the Cynwyd Church next Tuesday evening.

A register is being prepared and when completed will be available at the Post Office for all the Narberth boys who have returned from the service and for those who are still to come. There are obvious reasons for having a complete list and record, and every boy is urged to supply the required information promptly and correctly.

Reserve the evening of April 12! On that date the annual Senior play will be given. The Class of '19 will present, under the supervision of Miss M. L. Boynton, a college farce in three acts, called "A Strenuous Life." Do not fail to be on hand, as those who have missed this play elsewhere have been badly disappointed. The general admission is fifty cents, but a few reserved seats may be had for seventy-five cents extra. The play will be given in the school auditorium.

An urgent appeal has been sent out for 13,000 knitted garments for refugees. Children's stockings and sweaters, also mufflers and shawls are needed. This Chapter has been allotted a large proportion. Will you help us?

Also sweaters and socks for the soldiers MUST be returned this month. Wool given out by Mrs. Redifer.

Come to the Dollar Limit Sale (positively nothing over one dollar), at the Old Post Office Building, Saturday, March 29th, beginning at 11 o'clock. You will find cakes, candies, pies, peanuts, children's grab bag, useful articles of numerous kinds and splendid values, all at reasonable prices. The sale is given by the Junior Evangel Circle of the King's Daughters, and every cent goes to charity.

In "Cheating Cheaters," to be shown at the Palace Theatre, Ardmore, on Wednesday, the object of the author was to keep the audience guessing as to who were the crooks or the detectives, and he took good care that the criminals had either a good sense of humor or were unconsciously amusing. The feature to strike the spectator is the strength of cast, who are Clara Kimball Young, Anna Q. Nilsson, Jack Holt, Frederick Burton, Frank Campan and other shining lights in the film world.

Narberth Building and Loan Association An 8% investment, Regarded by everyone as the Best on the Main Line. Excellent as a Savings Account, Rigid in its examinations. The mortgages taken on conservative valuations. Honestly and efficiently managed.

The afternoon which the Community Club spent at the Narberth High School was most gratifying to those who arranged the joint meeting. The speaker for the afternoon was Miss Virginia Street, in charge of the largest Community Garden in the city. She spoke of her work to a large and attentive audience. The pupils sang a spirited garden song and refreshments were

served the pupils by the Club's Hospitality Chairman. The Club women present had every reason to feel proud of the spirit shown by the faculty and the school, and were pleased by their cordial reception.

WOMEN'S COMMUNITY CLUB

MRS. FRANK MILES DAY AND HON.
FLETCHER W. STITES ADDRESS
WOMEN'S COMMUNITY CLUB.

A great deal of interest was manifested in the legislative program arranged by the Chairman of Legislation, Mrs. Wm. H. Russell. Mrs. Frank Miles Day discussed many of the bills of particular importance to women, among them being the bill for a fit appropriation for the support of the Home for Feeble-minded Women at Laurelton, there being 15,000 of these unfortunates between the ages of 16 and 45 in the State of Pennsylvania alone.

The Vickerman bill, asking for \$1,000,000 appropriation for the widows' pension fund was endorsed by the Club, a resolution being adopted asking for the passage of this bill.

"The Rough Road of Legislation" was the topic discussed by our own Hon. Fletcher W. Stites, and brought forth many questions, all of which were very ably and interestingly answered by Mr. Stites.

His recent appointment as Chairman of the Prison Committee also enabled Mr. Stites to throw much light on our prison conditions. The suggestion to utilize the men within the prison walls for laboring purposes certainly augers for efficiency and sounds like a tremendous stride in the right direction.

At the conclusion a brief social hour, in charge of Mrs. E. C. Batchelor, assisted by Mrs. Wm. Livingston and Mrs. C. E. Long, completed a most profitable and enjoyable afternoon.

"An Appreciation of Joyce Kilmer," by Mrs. Lewis R. Dick, President of the Browning Society of Philadelphia, will be given at the Women's Community Club on April 1.

Of timely interest and pleasure will be the program arranged for the Women's Community Club on Tuesday afternoon, April 1st, when Mrs. Lewis R. Dick will read the selection by Joyce Kilmer. In addition special music has been arranged by Chairman of Music, Mrs. Joseph Barclay. Vocal selections by a sextette will be a special attraction.

ROUND TABLE LUNCHEON POSTPONED FROM APRIL 10TH TO APRIL 24TH.

It was found necessary to change the date formally set for the round table luncheon from April 10th to April 24th. An excellent program is being arranged and full details will be given as soon as completed.

Mrs. William Livingston has been appointed Chairman of the Nominating Committee. Mrs. Robert Dothard and Mrs. Leroy Douglas are also members of this committee. A preferential ballot, with the by-laws and constitution enclosed, will be mailed to each member, and each member is urged to return ballot with her preferences indicated thereon to the Chairman before the date specified on the ballot.

LUNCHEON.

On Tuesday, March 18, Mrs. Will H. Lewis, of 407 Woodside avenue, Narberth, gave a luncheon in honor of her houseguest, Mrs. J. Carter, of Worcester, Mass. It was one of the prettiest affairs of the season. The decorations, consisting of spring flowers and ferns, were very artistically arranged. Those present were Mrs. J. Carter, of Worcester, Mass.; Mrs. John Leitch, of Worcester, Mass.; Mrs. Arlyne Leitch, of Overbrook; Mrs. Carroll Downes, Mrs. Hugh Brown, Mrs. C. T. Moore, Mrs. Charles H. Churchill, Mrs. William S. Maddox, Mrs. Arthur Hill and Mrs. Will H. Lewis.

Scout News

Regular weekly meeting B. S. A. was held Tuesday evening 7.30 sharp. It was announced the money for the telephone books had been received and that we would pay up our Liberty Bond from that amount. After a successful business meeting we adjourned to rehearse the minstrel show. During the rehearsal we were interrupted by unwelcome visitors, who caused such a disturbance that we were censured by the members of the Fire Company for making an excess of noise so that they could not continue their game of billiards. All visitors are hereby notified to keep out, as they are not wanted, and if they wish to see the minstrel show they must pay regular admission on the night of its staging.

We are sorry to say that we are about to lose three old members who are going to move from Narberth, principally Mr. R. D. Smedley, Esq., who is a future Eagle Scout and who has gained much notoriety from these paragraphs. He is thinking seriously of entering Atlantic City High, where he says he will participate on a large scale in all athletics, principally football, which accounts for the fact that he is training regularly, eating only oatmeal and his strongest drink is milk. He has gained five pounds since this new diet and expects to buy a new Scout coat at near date. It is expected that he is going to carry all his medals (?) on the expansive chest of the aforesaid new coat.

If all members of the minstrel show are not prepared at the next rehearsal they may expect to vanooose.

Has anybody noticed how McGuire has been so regular in attendance at all meetings? We sadly regret that all feminine visitors but two are excluded, as Scout McGuire may not be as regular in his attendance. We think that the same may be applied to Tenderfoot Peters, who has had 100 per cent. attendance of late.

There has been a serious mistake in announcing the date of the minstrel show, which instead of the 28th of April will be the 25th.

Cub's Weekly Letter

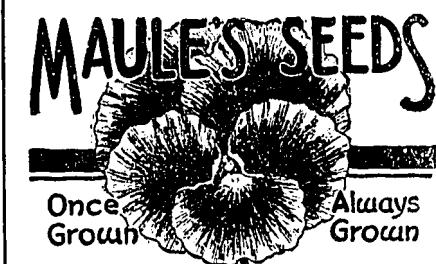

To the Editor of Our Town:

What an uninteresting world this would be were any of us perfect and were it not that all of us have our little failings. Take August Evergreen, for instance. Even he has his weaknesses—yes, indeed. To know August as he really is may not be as much of a bore as many people might suspect. The trouble with him is that he doesn't often show his good qualities. He continually exposes the weak side of his nature—such as for instance when he butts into school matters, which are so far over his head, and when he fills the Post Office corridor with litter to such an extent that Ed. Haws finds it necessary to make a bonfire every time August opens his "mail." Such things as those, however, only serve to faintly screen the noble nature of the man.

You remember how he came out last year and offered a quantity of valuable trees as prizes for the best kept lawns and grounds? Well, don't you call that a mighty liberal action? It's true he forgot all about his promise until I reminded him of it, but not for a moment do I even pretend to think that the prizes would not have been forthcoming ultimately. He's no politician—not August—or he'd never even think of keeping a promise. On the contrary, he distributed his prizes last week, and somehow—well, perhaps because he's such a good sport—I received the largest and finest tree in the collection. And here a lot of you thought he was not my friend. Indeed he's my friend, and I hope he'll continue to prove it. I could use more products of the Garden Nurseries.

But say, when August writes to you that he has my goat, why doesn't he sign his name or his regular nom-de-plume?

Anybody who believes even half the stuff he reads in the ordinary newspapers should not complain if he's considered gullible. With Our Town, however, it's quite different, and you may be sure that its news reports are absolutely authentic. Boomerang hands me a gentle rebuke for my alleged slandering of the Home Guard. As a matter of fact, I cheerfully admit of an admiration and appreciation of the boys who are giving up leisure hours for the sake of protecting property, receiving no reward of any kind, unless perhaps it's that of a consciousness of a voluntary duty well performed. If Boomerang will read my report again he will see that I did no knocking, but simply reported some alleged doings which were said to have created a rumpus in the Council Chamber. I have gone to the trouble of investigating the matter and

have succeeded in verifying my report down to the minutest detail. The rumpus actually took place, and I suggest that the gentleman who handles the deadly weapon from Australia follow my example and investigate on his own hook. Understand, I am not commenting on the justice of the criticisms to which I referred. I only reported what went on in the Council Chamber, and offer no apology therefor.

The high quality of Our Town's news is again vindicated.

Of course you haven't forgotten Spectator's breezy letter of two weeks ago. Why does our old friend Notions, who has been hiding from us for several months, come out now under this new pseudonym? As though he could hide that delightful brogue of his! Do you notice he always appears around

the 17th of March? That fellow's kissed the blarney stone many a time, you can bet. He certainly hands 'em out and would make a marble statue blush, to say nothing of a sensitive soul like myself. No, no, Notions, as a camouflager you're about as successful as some of these peach-blow complexions which are anything but rare around here nowadays.

Funny what a lot of people take an interest in the Fire House just now. Do you suppose that new pool table has anything to do with it?

We will be glad to book order for Jeddo Coal during the month of April at prices prevailing in Philadelphia and vicinity.

Most of you know that this coal is the best that comes to market, and to those of you who don't, we have no hesitancy in proclaiming the fact that if better coal exists anywhere in the wide earth it has not as yet been discovered.

Our thought is that the Coal Business will be slow this Spring and Summer, to be followed by a stampede in the Fall. Take our advice and order early, and don't forget to order from us, where you will get good coal and lots of appreciation furnished f. o. b. with the goods.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
